Q40. 40. Among the forms of decentralization, which does match with this definition: is the transfer of functions and / 3 resources to lower level units of the same administrative system while authority over decision-making and use of such marks resources remains with the centre (i.e. from the headquarters of an institution or administrative system to the lower levels). In the case of government administration, this would entail the transfer of some functions performed at the headquarters of the ministry to provincial, district and/or sub-district offices while power and authority are retained by the centre/Parmi les formes de décentralisation, qui correspondent à cette définition : est le transfert de fonctions et de ressources à des unités de niveau inférieur du même système administratif, tandis que l'autorité sur la prise de décision et l'utilisation de ces ressources reste au centre (c'est-à-dire du siège d'une institution ou d'un système administratif aux niveaux inférieurs). Dans le cas de l'administration gouvernementale, cela impliquerait le transfert de certaines fonctions exercées au siège du ministère vers des bureaux provinciaux, de district et/ou de sous-district, le pouvoir et l'autorité étant conservés par le centre.
